## Tuition Levels:

### Beginning Polish I

The student will concentrate on basic Polish vocabulary and grammar, along with simple reading, writing and conversation that will help the students in daily communication.

### Beginning Polish II

The student will focus on building Polish vocabulary, introducing more complex grammar, and further developing reading, writing and conversation skills.

### Intermediate/Advanced Polish

The student will focus mostly on conversation, tutorials, and lectures on contemporary Polish culture as well as Polish historical background. Complex grammar and advanced vocabulary and sentence structures also will be reviewed.
